

# HNC in Business: A New Student's Guide

Welcome to the HNC in Business! In this presentation, we will give you an overview of the course and all the information you need to know before enrolling.

# Overview of the Course

## Practical Skills

You'll learn practical business skills such as marketing, finance, economics and management that you'll need to succeed in the business world.

## Industry-Relevant

The course has been tailored to involve the latest business practices and standards to help you stay up-to-date with industry trends.

## Flexible Learning

The course is taught part-time in the evenings. Online learning materials are also available to allow you to learn flexibly and fit education around your work and personal life.

# Course Structure and Modules

## Core Modules

The course consists of ten core modules spanning across various areas of business such as marketing, economics, and accounting.

## Fully Equipped

Our modern classrooms provide you with access to the latest technology, enabling you to maximize your learning potential.

## Flexible Study Plan

Choose from a range of unit choices to build a flexible study plan that matches your interests and career goals.

# Assessment Methods

## Presentations

You'll also have the opportunity to further develop your presentation and communication skills with oral presentations.

## Coursework

Assessments are predominantly coursework based allowing you to demonstrate your skills and knowledge in real-world contexts.

## Exams

Exams will be conducted when practical to help you prepare for business world situations.

# Career Prospects and Opportunities

## Employment Ready

You'll graduate being job ready and possessing the necessary skills to step into a range of industries including in business, marketing, management and finance.

## Further Studies

If you plan to continue your studies, successful completion of the course may allow entry into a range of undergraduate programs with credit transfer.

## Industry Connections

Throughout your studies, you will have the option to engage with industry aligned organizations and professionals to build meaningful networks and industry connections.

# Student Support Services

## Academic Support

Our tutors are passionate and committed to providing one-on-one support to help you achieve your academic and career goals.

## Library and Learning Resources

The library provides access to all the learning materials and literature you'll require throughout your course, both in print and online.

## Social and Wellbeing Support

We encourage social interaction and you'll have the opportunity to join clubs and societies to engage with your peers and have fun.

# Entry Requirements

## 1 Academic Requirements

To enroll, you need an HNC Business qualification or equivalent recognised qualification or significant industry experience.
