Welcome to HND in Business

Get ready to join a vibrant community of aspiring business leaders. Our HND in Business programme is designed to equip students with the skills and knowledge needed to excel in the dynamic and constantly evolving field of business.

PRIME TECHNICAL INSTITUTE

Course Structure

Flexible Study

Our course structure is designed to be flexible, allowing students to tailor their studies to suit their needs. Students can choose between part-time and full-time study schedules, and have the freedom to switch between the two as needed.

Interactive Lectures

Our lectures are designed to be interactive, encouraging students to take an active role in their own learning. We use a range of teaching methods, including group work, case studies, and role-playing exercises, to keep lessons engaging and varied.

Hands-on Learning

We aim to create a learning environment that is both engaging and practical, with a focus on hands-on learning. Students will learn by working on real business problems, in collaboration with their peers and tutors.

Learning Outcomes

Gain practical experience

You will work on real business problems, gaining practical experience in a range of areas such as marketing, finance, and strategic planning.

Become a leader

You will learn how to be an effective leader, helping teams to achieve their goals and guiding organisations to success.

1   **2**   **3**   **4**

Develop your analytical skills

You will explore different ways of thinking and solving complex problems, developing your analytical skills along the way.

Improve your communication skills

You will develop your communication skills, learning how to make compelling presentations, write clear reports, and present data effectively.

INSTITUTE

Assessment Methods

Presentations

Students will be expected to give presentations on a range of topics, demonstrating their communication skills and ability to present data effectively.

Essays and Reports

Students will need to write essays or reports on various topics, showing their ability to communicate effectively in written form and synthesise complex information.

Multiple Choice Exams

Students will be required to take multiple choice exams in different modules, demonstrating their knowledge and understanding of the subject matter.

Entry Requirements and Application Process

Entry Requirements

To gain admission to our HND in Business programme, students must have completed HNC level 4. We also welcome mature students who may not have formal qualifications but have relevant work experience.

Application Process

Prospective students must complete an application form, which includes personal information and academic achievements. We also require a personal statement outlining why the applicant wants to study business and how the programme aligns with their career goals.

PRIME TECHNICAL INSTITUTE

Career Opportunities

1   ## Management

Graduates of our HND in Business programme are well equipped to take on management roles in a variety of settings. These roles may include operations manager, human resources manager, or general manager.

2   ## Entrepreneurship

Our programme teaches students a range of skills that are essential for entrepreneurship, such as marketing, finance, and strategic planning. Graduates are well positioned to start their own businesses.

3   ## Further Study

Graduates may also choose to pursue further study in business or related fields, such as an MBA or a degree in accounting.

Student Support Services

1   **Tutor Support**

Each student is assigned a personal tutor, who provides academic guidance and support throughout the programme.

2   **Careers Service**

Our careers service provides students with advice and guidance on job opportunities, interviewing skills, and CV preparation, among other things.

3   **Library and IT Services**

We have a well-stocked library and a range of IT services, including computer labs and free Wi-Fi for students to use.
